PROFESSIONAL EXPERIENCE

Inventory Specialist ☉ The Apple Store

2009 July - 2015 Aug

Managed and organized physical inventory to maintain a shrink of under 0.15%, accuracy above 99.5%, and the 2nd highest Personal Pickup time in our Market. Learned Apple's Visual Merchandising Standard's to set up and prepare the store for customers as new products were released and updated each month. Spent time teaching new customers basic mac skills one-on-one. As a Sales Specialist, sold approx. \$3700 of merchandise on an average day.

Design Intern ☉ The Bradford Group

2010 May - 2010 Dec

Illustrated products for print and web advertisements. Digital image mastering for ceramic decals and fabrics.

Intern and Freelance Designer ☉ The Marketing Store

2008 June - 2009 April

Designed concepts for Happy Meal and other promotional toys lines. Presented research of retail products and toys by competitor QSRs at team meetings. Prepared art for presentation to McDonald's and Licensors.

COMMUNITY EXPERIENCE

Planning Committee ☉ Boston Decompression 2015

2015 July - 2015 Nov

Evaluated and chose venue location, managed \$2000 budget between art grants, selected and scheduled DJs, set up and decorated the venue.

Event Support ☉ FIGMENT Project 2014 & 2015

Unloaded and assembled large art installations and structures. Supported artists during the event by assessing and meeting various logistical needs.
